Product Description

Zoomlion Refurbished 47M Used Concrete Pump Trucks BENZ Chassis

Product Description:

Used Concrete Pump Truck

The Used Concrete Pump Truck from ZOOMLION is a high-quality and reliable concrete equipment that is perfect for your construction needs. With its powerful engine, sturdy chassis, and advanced emission standard, this truck is designed to deliver exceptional performance and efficiency on the job site.

Product Overview

The Used Concrete Pump Truck is equipped with a 300/1800 engine power, making it capable of handling even the most demanding construction projects. Its 3-axle design provides excellent stability and maneuverability, ensuring precise placement of the concrete. The chassis brand is Benz, known for its durability and strength, making it a perfect match for the demanding nature of construction work. The truck is also equipped with Stage emission standard, reducing its environmental impact and making it compliant with the latest regulations.

Key Features

300/1800 engine power for exceptional performance

3-axle design for stability and maneuverability

Benz chassis brand for durability and strength

Stage emission standard for reduced environmental impact

Manufacturer: ZOOMLION, a trusted name in construction machinery
