

**Product Description:**

Used Mobile Crane - Product Overview

Introduction

The 2021 110T Used Mobile Crane is a versatile and reliable piece of equipment that offers high efficiency and advanced technology. It is designed for heavy lifting and is suitable for a wide range of construction and industrial projects. With its rugged construction and safety features, this crane is a cost-effective solution for your lifting needs.

Overall Dimensions

The overall dimensions of this crane are 15675\*3000\*3995 mm, making it compact and easy to maneuver on any job site. Its compact size also allows for easy transportation, reducing downtime and increasing productivity.

Manufacture Year

The 110T Used Mobile Crane was manufactured in 2021, ensuring that it is equipped with the latest technology and meets all safety and performance standards.

Jib

This crane comes with a 4-section jib that can be extended to meet the specific lifting requirements of your project. The jib is also equipped with advanced features such as a telescopic boom and a luffing mechanism, providing greater flexibility and precision in lifting operations.

Engine Model

The engine model of this crane is MC13.48-50, which is known for its powerful performance and fuel efficiency. This engine ensures that the crane can operate at its maximum capacity while minimizing fuel consumption, making it a cost-effective choice for your project.

Max. Traveling Speed

The 110T Used Mobile Crane has a maximum traveling speed of 90km/h, allowing it to quickly and safely move between job sites. This feature also increases productivity and reduces downtime, making it an ideal choice for time-sensitive projects.

Conclusion

The 110T Used Mobile Crane is a reliable and versatile piece of equipment that offers high efficiency and advanced technology. Its rugged construction and safety features make it a safe and cost-effective choice for your lifting needs. With its compact size, powerful engine, and fast traveling speed, this crane is the perfect solution for a wide range of construction and industrial projects. Don't miss out on the opportunity to add this efficient and modern crane to your fleet today!

**Features:**

Product Name: Used Mobile Crane

Main Boom: 75M

Engine Rated Power: 356/1900kw/(r/min)

Manufacture Year: 2021

Max. Output Torque: 2300/1050-1400Nm/r/min

Max. Traveling Speed: 90km/h

110T

Truck Crane

Used

Mobile Crane

**Technical Parameters:**

Key	Value
Product Name	Used Mobile Crane
Engine Model	MC13.48-50
Max. Lifting Height of Basic Boom	14.3M
Max. Rated Total Lifting Capacity	110 Tons
Overall Dimensions (L×W×H)	15675*3000*3995 mm
Manufacturer	XCMG
Main Boom	75M
Jib	4
Max. Output Torque	2300/1050-1400 Nm/r/min
Counter Weight	53 tons
Engine Rated Power	356/1900 kw/(r/min)

## Applications:

Used Mobile Crane - XCMG XCT-110

The XCMG XCT-110 is a highly versatile and reliable used mobile crane that is perfect for a wide range of lifting and transportation needs. Designed and manufactured by XCMG, one of the leading manufacturers in China, this crane has a maximum rated total lifting capacity of 110 tons, making it suitable for heavy-duty lifting tasks.

With its manufacture year of 2021, this used mobile crane is still in excellent condition and is well-maintained, ensuring its reliability and longevity. It has a maximum output torque of 2300/1050-1400Nm/r/min, allowing it to handle even the toughest lifting jobs with ease.

Application and Scenarios

The XCMG XCT-110 can be used in a variety of industries and scenarios, including construction, oil and gas, mining, and transportation. It is especially suitable for projects that require heavy lifting, such as building construction, equipment installation, and bridge construction. Its high traveling speed of 90km/h also makes it an ideal choice for transportation tasks, such as moving heavy machinery and materials to different locations. Its compact size and maneuverability also allow it to navigate through tight spaces and rough terrain, making it a versatile and efficient choice for various scenarios.

Product Attributes

**Brand Name:** XCMG

**Model Number:** XCT-110

**Place of Origin:** China

**Minimum Order Quantity:** 1 unit

**Price:** Negotiate

**Delivery Time:** 30 days

**Payment Terms:** T/T, L/C

**Supply Ability:** 10 units/month

**Manufacturer:** XCMG

**Max. output torque:** 2300/1050-1400Nm/r/min

**Max. traveling speed:** 90km/h

**Max. rated total lifting capacity:** 110 tons

Overall, the XCMG XCT-110 used mobile crane is a reliable and efficient choice for various lifting and transportation needs. With its high quality and affordable price, it is a great investment for any construction or industrial project. Contact us now to negotiate the price and secure your order!

## Customization:

Customized Services for XCMG XCT-110 Mobile Crane

Brand Name: XCMG

Model Number: XCT-110

Place of Origin: CHINA

Minimum Order Quantity: 1

Price: Negotiate

Delivery Time: 30 days

Payment Terms: T/T, L/C

Supply Ability: 10 units/month

Jib: 4

Main Boom: 75 Meters

Counter Weight: 53 tons

Jib Length: 29.6 Meters

Max. Lifting Height of Basic Boom: 14.3 Meters

In 2021, XCMG is proud to present the customized services for our XCT-110 Mobile Crane. As a leading manufacturer in the construction machinery industry, we are committed to providing high-quality and efficient products that meet the specific needs of our customers. With our XCT-110 Mobile Crane, you can expect exceptional performance and reliability. It is equipped with a 4-jib design, providing maximum flexibility for various lifting tasks. The main boom extends up to 75 meters, allowing for a wide range of lifting heights. The counter weight of 53 tons ensures stability and safety during operation.

At XCMG, we understand that every project has unique requirements and timelines. That's why we offer flexible delivery times of 30 days, allowing you to plan and execute your projects efficiently. We also offer competitive prices and are open to negotiation to meet your budget needs. Our payment terms include T/T and L/C to provide you with convenience and security.

In addition, our supply ability of 10 units per month ensures that you can get your hands on our XCT-110 Mobile Crane when you need it. Our experienced team will also provide you with professional guidance and support to ensure that the crane is customized and tailored to your specific needs.

In 2021, make XCMG your trusted partner for all your mobile crane needs. Contact us now to learn more about our customized services for the XCT-110 Mobile Crane.

## FAQ:

**Q: What is the brand name of this product?**

A: The brand name of this product is XCMG.

**Q: What is the model number of this product?**

A: The model number of this product is XCT-110.

**Q: Where is this product made?**

A: This product is made in China.

**Q: What is the minimum order quantity for this product?**

A: The minimum order quantity for this product is 1 unit.

**Q: Is the price negotiable for this product?**

A: Yes, the price for this product is negotiable.

**Q: How long is the delivery time for this product?**

A: The delivery time for this product is 30 days.

**Q: What are the available payment terms for this product?**

A: The available payment terms for this product are T/T and L/C.

**Q: How many units of this product can be supplied per month?**

A: 10 units of this product can be supplied per month.
