

## Heavy Duty 2022 Sany Used Truck Crane 100T Second Hand Truck Mounted Cranes

Our Product Introduction

for more products please visit us on [hnhzmachinery.com](http://hnhzmachinery.com)

### Basic Information

- Place of Origin: CHINA
- Brand Name: SANY
- Model Number: STC1000C7
- Minimum Order Quantity: 1
- Price: Negotiate
- Delivery Time: 30days
- Payment Terms: T/T ,L/C
- Supply Ability: 10/unit/month

### Product Specification

- Max. Rated Total Lifting Capacity: 100 T
- Maximum Travel Speed: 80 Km/h
- Jib Length: 17.5M
- Main Boom: 73.2M
- Engine Model: WP12
- Engine Rated Power: 294/1900kw/(r/min)
- Overall Dimensions(L×W×H)mm: 16040\*3000\*3995
- Manufacture Year: 2022
- Count Weight: 38.5t
- Highlight: 2022 Sany Used Truck Crane,  
100T Sany Used Truck Crane,  
Second Hand Truck Mounted Cranes 100T

Overall Dimensions (mm)	16040mmX3000mmX3995mm
Production Date	2022-01

## Product Description

### Product Description:

Used Mobile Crane - Product Overview

This Used Mobile Crane is a powerful and reliable heavy-duty equipment designed and manufactured by SANY, one of the leading manufacturers of construction machinery. With a maximum lifting capacity of 110T, this truck crane is perfect for handling large loads and completing heavy-duty tasks with ease.

Manufacturer: SANY

SANY is a globally renowned brand known for its high-quality and innovative construction machinery. With years of experience and expertise, SANY has become a trusted name in the industry, offering efficient and durable equipment for various construction needs. Maximum Travel Speed: 80 Km/h

The Used Mobile Crane is equipped with a powerful engine and advanced transmission system, allowing it to reach a maximum travel speed of 80 Km/h. This makes it ideal for transportation to different job sites and ensures timely and efficient completion of tasks.

Engine Model: WP12

The Used Mobile Crane is powered by an advanced WP12 engine, known for its high performance and fuel efficiency. This engine model is specifically designed for heavy-duty equipment, making it perfect for the 110T truck crane.

Main Boom: 73.2M

The main boom of this truck crane has a length of 73.2 meters, providing a long reach and excellent lifting capacity. With this main boom, the crane can easily reach high elevations and handle heavy loads with precision and stability.

Engine Rated Power: 294/1900kw/(r/min)

The powerful WP12 engine of this Used Mobile Crane has a rated power of 294/1900kw/(r/min), ensuring efficient and reliable performance even in the most demanding conditions. This allows the crane to handle heavy loads and complete tasks with ease.

Key Features:

110T lifting capacity

80 Km/h maximum travel speed

Advanced WP12 engine model

73.2M main boom length

294/1900kw/(r/min) engine rated power

Overall, this Used Mobile Crane is a powerful and efficient equipment that is perfect for any heavy-duty construction task. With its reliable performance, advanced features, and trusted brand name, this crane is a valuable asset to any construction project. Get your hands on this 110T truck crane from SANY and experience the ultimate combination of power, precision, and durability.

### Features:

Product Name: Used Mobile Crane

Maximum Travel Speed: 80 Km/h

Overall dimensions(L×W×H)mm: 16040\*3000\*3995

Engine Model: WP12

Counter Weight: 38.5ton

Manufacturer: SANY

High Performance

### Technical Parameters:

Product Name	Used Mobile Crane
Counter Weight	38.5 ton
Maximum Travel Speed	80 km/h
Engine Model	WP12
Engine Rated Power	294/1900 kW/(r/min)
Max. Rated Total Lifting Capacity	100 T
Jib Length	17.5 M
Manufacturer	SANY
Emission	Stage VI
Overall Dimensions (L×W×H)mm	16040*3000*3995
Manufacture Year	2022

## Applications:

Used Mobile Crane - SANY STC1000C7

The SANY STC1000C7 is a powerful and reliable mobile crane that is widely used in the construction industry. It is manufactured by SANY, one of the leading companies in the field of construction machinery.

Product Attributes:

**Brand Name:** SANY

**Model Number:** STC1000C7

**Place of Origin:** CHINA

**Minimum Order Quantity:** 1

**Price:** Negotiate

**Delivery Time:** 30 days

**Payment Terms:** T/T, L/C

**Supply Ability:** 10 units/month

**Engine Model:** WP12

**Overall Dimensions (L×W×H)mm:** 16040\*3000\*3995

**Manufacturer:** SANY

**Engine Rated Power:** 294/1900kw/(r/min)

**Emission:** Stage VI

Product Application:

The SANY STC1000C7 mobile crane is suitable for a wide range of applications in the construction industry. Its versatility and high efficiency make it an essential machine for any construction project.

1. Heavy Lifting:

The SANY STC1000C7 is designed to handle heavy lifting tasks with ease. With a maximum lifting capacity of 100 tons, it can easily lift and move heavy equipment and materials on construction sites.

2. Construction:

The mobile crane is an essential machine in the construction of high-rise buildings, bridges, and other large structures. It can lift and move construction materials to different levels of the building, making it an indispensable tool for any construction project.

3. Machinery Moving:

The SANY STC1000C7 can also be used to move heavy machinery and equipment on construction sites. Its powerful engine and sturdy construction make it capable of handling even the heaviest machinery with ease.

4. Maintenance and Repair:

The mobile crane can also be used for maintenance and repair work on construction sites. Its ability to lift heavy equipment and materials to different heights makes it an ideal tool for repairing and maintaining tall structures.

Product Features:

The SANY STC1000C7 is a high-quality mobile crane that offers a range of features to ensure safety, durability, and reliability.

1. Safety:

The crane is equipped with advanced safety features, including overload protection, emergency stop buttons, and a safety monitoring system. These features ensure the safety of the operator and the surrounding environment.

2. Durability:

The SANY STC1000C7 is built to withstand the harsh conditions of construction sites. Its sturdy construction and high-quality materials make it durable and long-lasting, reducing maintenance costs in the long run.

3. High Efficiency:

The mobile crane is designed for high efficiency, with fast hoisting and slewing speeds. This allows for quick and efficient completion of lifting tasks, increasing productivity on the construction site.

4. Reliable:

SANY is a well-known and trusted brand in the construction industry, known for its high-quality and reliable products. The STC1000C7 mobile crane is no exception, providing reliable performance and low downtime.

Conclusion:

The SANY STC1000C7 is a versatile and efficient mobile crane that is suitable for a variety of applications in the construction industry. With its advanced features, durability, and reliability, it is an essential tool for any construction project. Contact us today to negotiate a price and delivery time for your order!

## Customization:

Customized Services for Used Mobile Crane - SANY STC1000C7

Brand Name: SANY

Model Number: STC1000C7

Place of Origin: CHINA

Minimum Order Quantity: 1

Price: Negotiate

Delivery Time: 30days

Payment Terms: T/T, L/C

Supply Ability: 10/unit/month

Manufacture Year: 2022

Manufacturer: SANY

Maximum Travel Speed: 80 Km/h

Main Boom: 73.2M

Looking for a reliable and high-performing used mobile crane? Look no further than SANY's STC1000C7 truck crane. As the leading manufacturer in CHINA, SANY offers customized services to ensure that your specific needs and requirements are met.

With a minimum order quantity of 1 and negotiable pricing, our used mobile crane is suitable for a wide range of projects. Our delivery time of 30 days ensures that you can get to work as soon as possible. We accept both T/T and L/C payment terms for your convenience. As a leading manufacturer, SANY guarantees the quality and performance of our used mobile crane. With a supply ability of 10 units per month and a manufacture year of 2022, you can trust in the reliability of our products. Our STC1000C7 model boasts a maximum travel speed of 80 Km/h, allowing you to quickly and efficiently move from one location to another. The main boom of 73.2M ensures that you can reach even the most challenging areas on your construction site. Choose SANY's STC1000C7 used mobile crane for your next project and experience the quality and efficiency of our XCMG crane. Contact us now for more information and to place your order.
